**June 8, 2020**

In order to keep in line with the government requirements to restrict large gatherings, we will allow students/parents to drop off Chromebooks, textbooks and validation reports. This will be done using the schedule below.

Entry is based on last name. We are asking students to go to the front doors and drop off their borrowed Chromebooks and chargers, textbooks and validation reports. Hand sanitizer will be provided and we ask that you use social-distancing protocols. You may be asked to wait your turn outside if there are too many people at once in the front area.

If you have any symptoms of sickness, or if you have traveled out of the country in the last 14 days, do not come to the school. Please contact the office to arrange a time to come and drop off things at a later time, or tell us whom you would like to have come to pick up your stuff.

If the times do not work for you, please contact the office and we will find an alternate time for you/your child to come in.

If further restrictions are put in place by Alberta Health, the above information may change.

Thank you for adhering to these protocols to keep everyone safe.
