REGULATIONS

This scholarship must be used to pursue post-secondary education in Canada. Scholarships will be paid directly to the chosen recipient upon providing ANC with proof of enrollment in post-secondary education for

the upcoming academic year, with the understanding that the funds support the recipient's education-related endeavours. Examples of this include: tuition, fees, room and board, books, and supplies.

If a chosen recipient is unable to provide proof of enrollment for the upcoming academic year of their award, they will have one (1) year from date of being chosen to provide adequate proof of enrollment and receive the award. If they are still unable to provide adequate proof of enrollment after that year elapses, they will forfeit the scholarship award in its entirety.
